### HOW TO EAT PREMIUM FOR FREE

You picked this amazing ship... so we'd say you're entitled to something special. For the inaugural season, dinner at three premium restaurants is included for a limited time! On the list is the all-new Chibang! with its Mexican and Chinese flavors, the fan-fave Italian of Cucina del Capitano and the sauce 'n smoke of Guy's Pig & Anchor Smokehouse | Brewhouse. Book them in advance or walk right in... we'll always have plenty of tables available. (One note: they keep it casual at Guy's — no reservations there.)

### HOW TO FLEX AT DINNERTIME

Choose Your Time Dining for the most flexibility — enjoy all onboard dining venues on your schedule. Here are some highlights: Cucina del Capitano, Chibang!, Flamingo Dining Room, Guy's Pig & Anchor Smokehouse | Brewhouse, Lido Restaurant and more!

Some folks do like a more traditional cruise dining experience... and that's cool too! Go with Assigned Dining and you'll get reserved seating at the Flamingo Dining Room — including the same serving team — every night at dinner. (Just choose Early or Late Dining when you book.) Great news: for a limited time during the inaugural season, you'll have your choice of complimentary dining at specialty restaurants Cucina del Capita-no, Chibang! and Guy's Pig & Anchor Smokehouse | Brewhouse every evening after 7:30 p.m.

### HOW TO ALWAYS GET YOUR FAVORITES

Dining at a specialty dining spot, but feeling hungry for something more traditional? We get it! We'll bring you the & More menu, featuring favorites like Shrimp Cocktail, Flat Iron Steak, Eggplant Parmigiana... and more!

### HOW TO FIND THE LOBSTER

Once Lobster Night comes around, you have more choices than ever! Not only are we observing this tradition in the Palm and Flamingo dining rooms... but now you'll find them on the menu in Cucina del Capitano and Chibang!

### HOW TO GET EASY DINNER RESERVATIONS

You should always make your dining reservations as soon as you book... but if you didn't, make them as soon as possible to get the best dining times! You can do it right now in the Carnival HUB app for Android or iOS.
